**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was with Telus Uverse for approximately ten years. Their isp systems are upgraded overtime to profit their bottom line instead of their customer's. Their internet service (DSL) has become so slow and unbearable, and left their customer with less or no choice but to put in more money to get a plan that offers faster speed. The bottom line, the customer was not being serve fairly.

I'm very happy Sonics has isp service (fiber) in the Inner Sunset.

I receive great internet speed and excellent service.

Please keep Sonic in the neighborhood and help it succeed.
